| DMPED, Mr. Klass                              | Here to discuss the future of the UMC Site. Hoping to turn this land into something for retail and real estate. District is going through a surplus process to see what the best non-public use of this land. 17 acres. Would need to go through a rezoning process. Office of Planning is going through a comprehensive rewrite of the land. Would take 18 months to completely demolish the hospital. Make sure that White's office is notified to keep us in the loop when the council is going to have a surplus hearing for public comments regarding the process of UMC and that ANC is thoroughly involved. |
| Pan-African Community Action, Johannes DZenyo | Presentation discussing what their organization is all about and what services they offer. Main focus is to help build power and community ideas. More information will be provided at the end of the meeting. They also have an adduction program across from the Anacostia Metro Station in the building with the mural on the side. <a href="http://pacapower.org">pacapower.org</a>                                                                                                                                                                                                                            |
| Pages for the People, Natalie Rose-Liestikoy  | From the DC International School. Wanted a community impact surrounding books and reading. Looking to build a few little free libraries in the city. Has a location in ward 8 and have gotten permission to build the library at Highland Dwellings at an outdoor space. Seeking funding to continue project. Needs a budget for \$200.                                                                                                                                                                                                                                                                            |
| MPD, 7D Report                                | Captain Pulliam and Captain Lee as well as Lieutenant Duncan are here to present.
